The geography in this analysis includes Census tracts 24 (block groups 1 and 2, and Tract 42 (block groups 1-4). American Community Survey 5 year estimates for 2015 were used in this report. Data are based on estimates from the American Fact Finder survey conducted by the US Census Bureau

Survey responses come from a survey conducted from September to December 2017 by 30th Street Corridor in partnership with Data You Can Use, given to people who work, pray, live and play in the Garden Homes neighborhood. The survey was part of the neighborhood planning effort *Restoring the Soul of Garden Homes*.
